

# Coast Capital Savings Youth Get It Education Awards

We know youth get it. Just because you're young, doesn't mean you haven't faced adversity. Whether it's financial difficulties, family issues, personal loss, lack of supports, or considerable health challenges, our Youth Get It Education Awards can help.

For 2016, we're offering the following Education Awards:

## **Standing Tall Award**

59 Awards of \$2500 Available

Our Standing Tall Awards support youth who have faced adversity and not only risen up against the odds, but are demonstrating a commitment to continue their education. This includes, but is not limited to: poverty, health, family issues, personal loss, and lack of supports, i.e., youth who are or who have been in government care.

## **Beth Hutchinson Award**

One \$5000 Award Available

One individual will be selected to receive the Beth Hutchinson Award. Beth was an inspirational Standing Tall winner in 2012, and we're honouring her memory by making the Beth Hutchinson Award available to a student from her home community of Surrey, BC.

The Beth Hutchinson Award recognizes the young person in Surrey who best exemplified a commitment to continuing their education in the face of considerable health challenges. For more information about the Beth Hutchinson Award, please visit
